

POWERFUL, DURABLE, ON THE GO
Desktop / Laptop / Android Devices / iPhone / Gaming Console

USB 3.2 Gen2x2 | P21 Portable SSD (Type-C)

The P21 External SSD combines portability, speed, and style. With USB 3.2 Gen 2x2 technology, it delivers up to 2050 MB/s transfer speeds, making it perfect for transferring large files like 4K videos, high-resolution photos, or game libraries in seconds. Its sleek aluminum housing ensures efficient heat dissipation and durability, providing reliable performance for professionals and creatives on the go. Whether you're editing videos, backing up data, or gaming, the P21 is your ideal high-performance storage solution.
